PROFILE

Dr. Magesh Kasthuri is working in Wipro Limited as Distinguished Member of Technical Staff (Master) and Chief Architect (Cloud)/Chief Technologist for Ecosystem and partnership practice and having IT industry experience of about 26+ years out of which his last 22+ years' experience is with Wipro Limited, Bengaluru, India.

Magesh did his Doctorate in Philosophy (Ph.D) in Deep Learning and Genetic Algorithms. He has granted patents in US/Euro Patent office in Cloud, AI/ML, Blockchain, Big Data algorithms and DevOps. He is working with Wipro for more than 22 years across various domains. His experience includes client work experience in Japan, US and Switzerland.

Magesh has published more than 200 articles and papers in various International Journals and magazines. He has written articles in popular magazines and Journals like CIO.com, CXOTech.com, Architecture & Governance Magazine, The Executive Lens, CSI – Communications, PC Quest and Open Source for You. He has published article in Cutter IT Magazine (now Amplify) covering Blockchain as a Service and how it is disruptive for FinTech IT and SmartCity Architecture with Blockchain services.

Magesh's area of interest includes Agentic AI, AIML, Metaverse, NFT, Big data analytics, Generative AI, Cognitive computing and Cloud computing to name a few. Magesh holds US, Euro patents in the field of Cloud, Blockchain, DevOps and Artificial intelligence.

He is writing technical articles in LinkedIn with the tag #shorticle (short article) with more than 1000 articles published so far covering Enterprise Architecture, Cloud, Blockchain, Big Data, AIML and Book suggestion. He has also published technical articles in [Enlore](#), [Tealfeed](#) and [DZone](#) including DZone Trends reports.

Certifications

- ✓ Microsoft Certified Technical Specialist - Azure Certified Architect
- ✓ Microsoft Certified AI Engineer, Data Scientist
- ✓ Azure AI Engineer, Azure Data Specialist
- ✓ AWS Certified Machine Learning Specialty
- ✓ AWS Certified Architect Associate
- ✓ Blockchain Council Certified Expert V2
- ✓ IBM Certified Solution Designer – Big Data Certified Architect
- ✓ Google Certified Digital Leader
- ✓ Oracle Certified Gen AI Professional
- ✓ FinOps Certified Practitioner
- ✓ FinOps Certified FOCUS Analyst
- ✓ Oracle Certified Generative AI Professional
- ✓ Oracle Certified Vector AI Search Professional

Other Affiliation/Accreditation

- ✓ IEEE Senior Member
- ✓ ACM Senior Member
- ✓ Microsoft Certified Trainer (2020 onwards)
- ✓ Oracle JSR Member <https://jcp.org/en/eg/view?id=385>
- ✓ Scientific Committee Member (Scientific Committee Member – Annual International Congress on Computer Science)
- ✓ Chief Architect Forum Member
- ✓ The OpenGroup INITIATE member (Whitepaper contributor)
- ✓ Metaverse Forum (MSF) Member

Wipro Career Highlights (from 2015 onwards)

- ✓ Elevated to Distinguished Member of DMTS community from 2019 (Top 25 Technologists in Wipro).
- ✓ Global Charter Lead for entire DMTS community from 2025.
- ✓ Only Senior Member of DMTS community from BFSI from 2015 (Top 100 Technologists in Wipro)
- ✓ Lead Architect in Platinum programs in Security and Capital Markets Domain for leading Banking customers in Architecting and implementing key projects
- ✓ Owner of Wipro Java User Group with Oracle, Editor of DMTS Press and Tech Spectrum (Wipro's Internal Journal)
- ✓ Associate member of Java Community Process (JCP) from Oracle.
- ✓ Non-EG (Executive Group) Member of JSR-354 (JavaMoney) and EG member of JSR-363 (Unit of Measurements) from Java Community (Oracle Inc).
- ✓ Awarded by Architectural Council for highest contribution in ACE interviews, Topgear Crowd sourcing for highest review contribution.
- ✓ Have been **8 times awarded** as 'Best Knowledge expert' by KM team and 2 times continuous **Outstanding contribution award** in Regional **In-sync meet** in Zurich.
- ✓ **2 patents** granted (AI/Cloud), 3 published (ML, Cloud, Blockchain) and **4 patent** filing done (IoT, Blockchain, Unified Language translation & FinTech cloud solution). **Inventor of one of the first Blockchain patent in Wipro**

- ✓ Awarded **twice** by **Credit Suisse client** for Excellent project execution and technical mentorship in 2016 and 2017.
